In the St. Louis Masters League, each 3-game match is worth a maximum of 40 points, 20 points for team competition and 20 points for individual competition. Team points are awarded on the basis of 5 points for each game won and 5 points for the highest total pins. Individual points are awarded on the basis of one point per victory per game, with one point for total pins, for each position, awarded only to the team. The individual portion pits the lead-off bowler versus the opposing lead-off bowler and so forth through the 5 positions.
